Deadly Little Games: A Touch Novel Laurie Faria Stolarz

High school juniors Camelia and Ben have discovered a powerful bond: They both possess the power of psychometry, the ability to see the future through touch. For Ben, the gift is a frightening liability. When he senses a strong threat or betrayal, he risks losing control. Camelia's gift is more mysterious. When she works with clay, her hands sculpt messages her mind doesn't yet comprehend.

Before either one has a chance to fully grasp their abilities, a new danger surfaces, but this time, Camelia is not the target. Adam, a familiar face from Ben's past, is drawn into a puzzle he can't solve...and his life is on the line. As the clues pile up, Camelia must decide whether to help him and risk losing Ben or do nothing and suffer the consequences. But in these games, who can be trusted?

Packed with the suspense and romance that made *Deadly Little Secret* and *Deadly Little Lies* breakout hits, *Deadly Little Games* is sure to be a bestseller.
