Mixed Signals Ivy Raine

What do a sex-obsessed virgin, a stuffy boss, and an over fifty swinger's party have in common? They're all about to ruin Rachel Peters' life. Rachel has a way of falling into trouble - courtesy of her wacky best friend Susan who will do almost anything to ditch her virginity before she turns thirty. When Susan's latest scheme takes them to a swinger's club disguised as a bisexual couple, Rachel has no idea the stinky, old man sitting next to her is the father of her serious, straight-laced, and oh, so sexy boss, Ryan Stanley - the man she just happens to have a serious crush on. As if things couldn't get worse, the elder Stanley believes she and Susan are lovers, and he agrees to keep her 'secret' if she'll keep his. What ensues next is a wacky adventure full of secrets, old lovers, and general chaos - and things are bound to get crazier when the truth comes out.

A romantic comedy.

Almost Knot, the sequel to Mixed Signals, is now out!

From reader reviews:

Debra Richardson:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each reserve has different aim or goal; it means that publication has different type. Some people experience enjoy to spend their time and energy to read a book. These are reading whatever they have because their hobby is definitely reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book once they found difficult problem or even exercise. Well, probably you'll have this Mixed Signals.

Kevin Pennell:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for each other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Mixed Signals. All type of book would you see on many resources. You can look for the internet solutions or other social media.

Michael Sherman:

As people who live in the particular modest era should be update about what going on or info even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know what one you should start with. This Mixed Signals is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Nichol Colby:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Mixed Signals can make you experience more interested to read.
