"An Occurrence at Owl Creek Bridge" or "A Dead Man's Dream" is a short story by American author Ambrose Bierce. Originally published by The San Francisco Examiner in 1890, it was first collected in Bierce's 1891 book *Tales of Soldiers and Civilians*. The story, which is set during the Civil War, is famous for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is considered an early example of experimentation with stream of consciousness. It is Bierce's most anthologized story.
