Church Folks Miles D. Jenkins

Church Folks is a fictional story about a man finding his way back to God. This is a tale of romance, politics, spirituality, lust and greed. Mr. Jenkins takes the reader to the limits of a religious read and back again. In this narrative he addresses the political side of the church and how its leaders sometimes find themselves on the other side. As the story ensues, so does the action. Church Folks will leave you entertained, inspired, intrigued, disgusted, but most of all enlightened. It also displays how God is in control of any situation, no matter how dire it may seem.
