Exit 9: A Project Eden Thriller Brett Battles

From thriller and suspense master Brett Battles comes Exit 9, the second book in the Project Eden thriller series. Before, it was just a test, a little demonstration to see if the virus worked. It did, and so much better than its creators could have ever hoped. But the testing phase is over. It's time for Project Eden to take the next step. If its members have their way, humanity is about to get a reboot. It's up to Daniel Ash and the others in the outnumbered resistance to keep the Project from severely downsizing mankind. But can their small force succeed in the face of a plan decades in the making? The human race had better hope so, because if Ash and his friends can't... Praise for SICK, the first Project Eden Thriller: "SICK didn't just hook me. It hit me with a devastating uppercut on every primal level as a parent, a father, and a human being." — Blake Crouch, author of RUN "SICK is a a gem of an outbreak story that unfolds like a thriller movie and never lets up all the way to the last page. Absolutely my favorite kind of story!" — John Maberry, New York Times bestselling author "SICK not only grabs you by the throat, but by the heart and gut as well, and by the time you finish you feel as if you've just taken a runaway train through dangerous territory. Buy this book now. You won't regret it."—Robert Browne, author of THE PARADISE PROPHECY. "Like a fever, SICK makes you sweat and keeps you up all night, wondering what the hell is happening. It'll make your heart race like someone shot you with an EpiPen. You think Battles was badass before? He just cranked it up to 500 joules. CLEAR!"—popculturenerd.com "SICK is Brett Battles at his best, a thriller that also chills, with a secret at its core that's almost too scary to be contained within the covers of a book." — Tim Hallinan, author of the Edgar nominated THE QUEEN OF PATPONG
