Facundo: Civilizacion y Barbarie (Nuestramerica) (Volume 18) (Spanish Edition) Domingo Faustino Sarmiento

Facundo o civilización y barbarie en las pampas argentinas es un libro escrito en 1845 por el educador, periodista, escritor y político argentino, Domingo Faustino Sarmiento, durante su segundo exilio en Chile. Las primeras tiradas de la obra se hicieron por entregas a través de la sección Folletín del diario chileno "El Progreso". Su inmediato éxito hizo que se publicara en un volumen independiente. Rápidamente el libro pasó, de modo clandestino, a Argentina, logrando una repercusión inmediata en la opinión pública. Facundo es uno de los principales exponentes de la literatura hispanoamericana. Además de su valor literario, la obra resulta fundamental por su análisis del desarrollo político, económico y social de Sudamérica, de su modernización, sus potenciales y diversidad cultural. Como lo indica su título, en el texto, Sarmiento analiza los conflictos que surgieron en Argentina una vez alcanzada la Independencia política en 1816, partiendo de la antinomia intranacional entre civilización y barbarie. Facundo muestra la vida de Juan Facundo Quiroga, militar y político gaucho miembro del Partido Federal, que se desempeñó como gobernador y caudillo de la provincia de La Rioja durante las guerras civiles argentinas en las décadas 20 y 30 del Siglo de las Luces.

From reader reviews:

Christopher Arredondo:

Reading a publication tends to be new life style with this era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write on their book. One of them is this Facundo: Civilizacion y Barbarie (Nuestramerica) (Volume 18) (Spanish Edition).
