Lawrence Suid

Guts and Glory: The Making of the American Military Image in Film Lawrence Suid

Guts and Glory: The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services. Since the first edition was published nearly two decades ago, the nation has experienced several wars, both on the battlefield and in movie theatres and living rooms at home. Now, author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military, exploring how Hollywood has reflected and effected changes in America's image of its armed services. He offers in-depth looks at such classic films as *Wings*, *Thirty Seconds Over Tokyo*, *The Longest Day*, *Patton*, *Top Gun*, *An Officer and a Gentleman*, and *Saving Private Ryan*, as well as the controversial war movies *The Green Berets*, *M*A*S*H*, *the Deer Hunter*, *Apocalypse Now*, *Platoon*, *Full Metal Jacket*, and *Born on the Fourth of July*.
