LLCs Explained In Depth In An Easy To Understand Format So You Can Get Started On Your Business Today!

*****Limited Liability Companies Broken Down So Simply, You'll Know All The Benefits of This Business Entity And Answer All Your Questions Regarding Liability, Taxation and Formation*****

Limited Liability Companies (LLCs) have increased in popularity over the last few decades. Entrepreneurs across the world learn about the numerous liability and tax advantages of LLCs and are quick to start the paperwork to form their own entity and get their business off the ground.

You might be asking yourself, can't I read a few articles about LLCs and be all set to start my business? What's important to realize here is that LLCs are a relatively new type of business structure - dating back only 40 years ago in Wyoming. Since then, states have adopted and dealt with LLCs as they see fit. Our goal in this book is to provide the broad strokes of the LLC that are true in every state while also bringing to your attention and directing you to the proper resources for the state by state differences.

If You're Planning on Forming A New Business - You Need To Understand The Why, When, and How of LLCs. No other book is going to teach you about LLCs in a manner that will teach you exactly what you need to know about LLCs and what your next steps should be in starting your business while leaving out the "fluff" and unnecessary information.

While LLCs are often cited for their numerous advantages and benefits for new business owners, there are potential disadvantages depending on your specific situation. Don't worry - all of this will be covered in the book as well.
