The Adventures of Pinocchio (Oxford World's Classics)

Carlo Collodi

The Adventures of Pinocchio (Oxford World's Classics) Carlo Collodi

The story of the wooden puppet who learns goodness and becomes a real boy is famous the world over, and has been familiar in English for over a century. From the moment Joseph the carpenter carves a puppet that can walk and talk, this wildly inventive fantasy takes Pinocchio through countless adventures, in the course of which his nose grows whenever he tells a lie, he is turned into a donkey, and is swallowed by a dogfish, before he gains real happiness.

This new translation does full justice to the vibrancy and wit of Collodi's original. Far more sophisticated, funny, and hard-hitting than the many abridged versions (and the sentimentalized film) of the story would suggest, Ann Lawson Lucas's translation captures the complexity of Collodi's word-play, slapstick humour, and immediacy of dialogue. An adult reader will recognize social and political satire, and the invaluable introduction and notes illuminate the cultural traditions on which Collodi drew.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
