## The Global History Reader (Routledge Readers in History)

This groundbreaking work brings together an important collection of essays from an international range of contributors to set globalization in its historical context.

Through these thematically focused essays, the history of the world is examined in key themes that transcend national boundaries such as terrorism, the environment, human rights, the information revolution and multinational corporations.

This is a fast-growing and definitive new area of historical study, and this book is essential reading for all students with an interest in learning more.
