Running for Yellow Christina Varrasso

Running for Yellow is a heartfelt story recounting one woman's journey of self-discovery, in which life's demands and diversions inevitably return her to the enduring foundations of family and faith. Christina Varrasso has crafted a novel that balances a poignant narrative with a light-hearted spirit, while introducing a memorable cast of characters that is lovingly detailed and remarkably true-to-life. Chiara is a hopeless romantic, and as her life unfolds from early adolescence to adulthood, she breaks a promise made to her Italian immigrant father that she would first complete her education before pursuing marriage. Chiara finds her life in complete upheaval after Papa suffers a heart attack and a series of anonymous phone calls force her to question the fidelity of her now-husband, Adrian. Blending humor, drama, and a measured dose of suspense, Running for Yellow is a rewarding and endearing novel about coming of age and the restoring nature of family, love, and faith.
