Tracey Takes on Tracey Ullman

Tracey Ullman has been practicing her unique brand of comedy for American audiences for over a decade. She has fashioned an astonishingly diverse gallery of richly imagined characters -- males as well as females - - each of whom has something profoundly amusing to say about the best & worst of the human condition. In this book, these vivid creations are given an opportunity to spout on such loaded topics as mothers, royalty, & childhood. Blithely ignoring limits & convention, Tracey creates resonant characters whose frailties are at once larger than life & yet uncannily familiar. Lavishly illustrated with photos of the characters in action.
