El Fantasma de Manhattan (Spanish Edition) Frederick Forsyth

En *El fantasma de Manhattan*, Frederick Forsyth rescata a un personaje legendario de la literatura y el cine: el fantasma de la Ópera. Aprovechando la enigmática personalidad del atormentado ser que habita en los sótanos de la ópera de París, reelabora el mito del monstruo solitario, aislado del mundo a causa de su repulsiva fealdad.

La novela empieza con los primeros años de Erik Muhlheim, el "fantasma", en su lóbrego refugio del subsuelo parisino, donde, contra toda previsión, desarrolla una sensibilidad única para la música. Joven, incapaz de asumir su soledad, se enamora perdidamente de Christine, una de las cantantes. Movidado por un deseo irreprimible, rapta a la muchacha. Pero sus planes, obviamente, están condenados al fracaso y Erik, prófugo de la justicia, debe abandonar Francia. Su huida lo lleva a Manhattan, donde lo aguardan el éxito y la fortuna. Sin embargo, deberá permanecer oculto tras la máscara, alimentando su obsesión, dedicando la vida entera a recuperar a su amada. Dando un giro imprevisto a su trayectoria novelística, Forsyth crea una obra conmovedora, impregnada del encanto de un tema clásico y el vigor narrativo de uno de los escritores más leídos de nuestro tiempo.
