HOT VAMPIRE KISS:

The werewolf population is entrenched in a century long civil war, and now they are plagued by a virus that is turning wolves into killers. The Brooks brothers pursue one such rogue werewolf to Temple, Texas. It is in Temple that Evan encounters a beautiful nurse named Marissa who instantly melts the hundred years of ice running through his veins. When she is brutally attacked by the wolf, he breaks the rules of the Vampire Council and uses his blood to save her. Now, if he doesn't kill the wolf by the next full moon, Marissa will become a killer wolf, and he will be sentenced to death.

HOT VAMPIRE SEDUCTION:

The underground vampire population of Austin, Texas has taken to hosting orgies with human women who've been forced to indulge in a new aphrodisiac. The drug, Blood Red, is a mixture of a rare type of werewolf blood and that of a vampire. Blood Red creates an insatiable desire for sex in the user to the point of pain in the absence of pleasure. Sometimes that pain leads to death.

Vampire Warden, Aiden Brooks, has spent more than a hundred years enforcing the laws of his race, and life has taught him that anyone that he allows into his world ends up dead. Despite knowing this all too well, having painfully loved and lost in his past, when his search for the creator of Blood Red places coroner Kelly Riggs directly in both his path, and that of a dangerous clan of vampires, his desire for her goes well beyond offering her protection. He's drawn to her bravery, seduced by her feisty spirit and beauty, but he is determined to resist her, fearing he will put her in harms way. But Kelly is already on the radar of the enemy, and when she gets too close to the evil vampire clan's secrets, she is given Blood Red. Now Aiden's hunger for her might be the only thing that can keep her alive but who will save her from him?

HOT VAMPIRE TOUCH:

In blood they will find destiny and the eternal bond of passion...

A Vampire Warden betrayed by a werewolf he loved, turned into something not Vampire or Wolf. The woman – the wolf – who will heal him...if he doesn't destroy them both first.

Excerpt from HOT VAMPIRE TOUCH:

He stopped by the broken-down nightstand and unlocked his cuff, his long blond hair draping his face. She reached up and gently shoved it aside, and his gaze slowly lifted to hers, his eyes glowing silver, all remnants of yellow now gone. "What's happening to you?" she repeated, then rephrased: "What happened to you?"

"A wolf happened to me," he said, and then moved abruptly.

Suddenly, her hand was over her head, and her wrist was attached to the bedpost. Cassie was no pushover. She was a member of the elite Royal Guard, and when she wanted to fight, she could fight.

She wrapped her legs around Troy's, and grabbed his shoulder with her free hand. "Take the cuff off me," she hissed. "I'm not going anywhere. I'll help you."

He held up the key and she reached for it. He flung it across the room. "Damn it, Troy!"

"Let go of me, Cassie, before I forget why I want you to. Before I'm no longer responsible for my actions. Believe me, you don't want me this close to you when I'm like this. I don't...want to hurt you."
