Learning Solution-Focused Therapy: An Illustrated Guide Anne Bodmer Lutz B.S.N. M.D.

Solution-focused therapy is an evidenced-based practice that focuses on creating conversations that build solutions, rather than solve problems. *Learning Solution-Focused Therapy: An Illustrated Guide* teaches readers how to practice and become competent in conducting solution-focused therapy, an area of growing interest as the emphasis on brief therapy increases. Critical to the book's learning strategy is the generous use of case illustrations that are detailed, rich, and instructive without being overly didactic. The case approach provides an effective means for seeing concepts put into practice, and since medicine is becoming more patient-focused, the solution-focused therapy model is highly relevant. Organized to show how a solution-focused interview is conducted, the book presents the basic model and goes on to apply this model in psychopharmacology, addiction, supervision and consultation. Each chapter combines readings, solution-focused questions, case illustrations, learning exercises and video demonstrations (available online), which together constitute a comprehensive course in this therapeutic modality. Moreover, the author's conversational writing style makes the tenets and techniques accessible and interesting to a wide variety of clinicians. *Learning Solution-Focused Therapy: An Illustrated Guide* will appeal to clinicians who wish to enhance their skills and support their patients' growth in a positive way.

From reader reviews:

Yael Whitehead:

This Learning Solution-Focused Therapy: An Illustrated Guide is great publication for you because the content that is certainly full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can point out no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having Learning Solution-Focused Therapy: An Illustrated Guide in your hand like keeping the world in your arm, info in it is not ridiculous a single. We can say that no e-book that offer you world with ten or fifteen small right but this guide already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt this?

Timothy Lumpkin:

Reading a book for being new life style in this calendar year; every people loves to read a book. When you examine a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, in addition to soon. The Learning Solution-Focused Therapy: An Illustrated Guide provide you with new experience in looking at a book.

Eula Johnson:

This Learning Solution-Focused Therapy: An Illustrated Guide is brand new way for you who has intense curiosity to look for some information since it relief your hunger info. Getting deeper you on it getting knowledge more you know or you who still having small amount of digest in reading this Learning Solution-Focused Therapy: An Illustrated Guide can be the light food to suit your needs because the information inside this book is easy to get simply by anyone. These books produce itself in the form which can be reachable by anyone, that's why I mean in the e-book contact form. People who think that in publication form make them feel drowsy even dizzy this publication is the answer. So there is no in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss this! Just read this e-book style for your better life as well as knowledge.

Edward Donnelly:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring in

addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Learning Solution-Focused Therapy: An Illustrated Guide can make you sense more interested to read.
