Poems of the Spirit

Patricia Johnson

Poems of the Spirit Patricia Johnson

Poems of the Spirit expresses the close contact of God to his creation through verse and speaks on how he is concerned about every aspect of our lives – from a delicate snowflake to the love of a mother. Too often in our busy lives we forget that God’s caring nature knows no boundaries and that we are never alone as a result of that love. We flow into him and he as well flows into us eternally.
