The Shipping News Annie Proulx

At thirty-six, Quoye, a third-rate newspaperman, is wrenched violently out of his workaday life when his two-timing wife gets her just desserts. He retreats with his two daughters to his ancestral home on the starkly beautiful Newfoundland coast, where a rich cast of local characters all play a part in Quoye's struggle to reclaim his life. As three generations of his family cobble up new lives, Quoye confronts his private demons -- and the unpredictable forces of nature and society -- and begins to see the possibility of love without pain or misery.

A vigorous, darkly comic, and at times magical portrait of the contemporary American family, *The Shipping News* shows why Annie Proulx is recognized as one of the most gifted and original writers in America today.
