When you lose what you loved most... Tarik Sabarn, King of Desani, thought he'd lost everything when his Queen was murdered. In the years following her death, he gave up on love and focused on ruling his Kingdom. When he meets Lea at a United Alliance meeting, he finds what was once lost. When you find what you'd always been searching for... Lea never imagined a random night of passion would lead to answers she'd spent years searching for. After a night with Tarik, she learns more than she bargained for and finds love. But if she's not careful, they'll both lose out again.
