I'll Never Forget You Charles Uribe

Saiko comes from a wealthy family and has her future planned out for her. Following Japanese tradition, she will eventually leave the modeling profession and marry a person from a wealthy, upstanding family selected by her parents. Tony, an American GI from New York City, sees his future in a steady dead-end job and a one-room apartment. Following Spanish tradition, he will probably marry a girl of whom his parents approve. In his new book, *I'll Never Forget You*, author C. Uribe reflects upon the lives of these young lovers before their unforgettable chance encounter, which leads to a strong and undying love, as well as the devastating moment they are separated forever. How will their lives take form after their separation? Will Tonys relentless efforts to find Saiko, and Saikos disobedience toward her parents wishes for her to marry, bring them together again, or will it be too late? Whatever the outcome, the thought in their hearts will always be, *I'll never forget you!*
