Improvisa de Verdad: El método completo para todos los instrumentos. (Spanish Edition)

David Reed

Improvisa de Verdad: El método completo para todos los instrumentos. (Spanish Edition) David Reed Domina el arte de la improvisación musical a través de ejercicios creativos que te permiten explorar y descubrir la armonía por ti mismo. Aprende a comprender los sonidos en la música que te rodea y a improvisar con confianza en cualquier situación musical. Y aprende a expresar tu propia música, tocando directamente desde tu imaginación musical.

En vez de darte reglas y fórmulas sobre qué notas tienes que tocar, Improvisa de Verdad te capacita para comprender la música por dentro y para disfrutar creando tu propia música. A través de una creativa práctica diaria que se parece más a las artes marciales que a un curso musical típico, aprenderás a explorar el hermoso mundo de la armonía moderna y a expresarte con confianza en cualquier situación musical.

Los ejercicios son fáciles de entender y divertidos de practicar. No necesitas saber leer partituras ni saber nada sobre la teoría de la música para comenzar. El método está abierto a todos los instrumentos y a todos los niveles. Aprenderás a improvisar sobre standards de jazz, canciones de blues, la música pop o cualquier otro estilo que te gustaría tocar. Aprenderás a orientarte de oído en cualquier pieza musical y a expresar los sonidos que imaginas.

Improvisa de Verdad es una solución completa para cualquier músico que sueñe con aprender a improvisar. Para miles de músicos, Improvisa de Verdad es el libro que les permitió por fin comprender la armonía y realmente disfrutar de improvisar.

Do you want to try this extraordinary investing spare time activity?

Mike Costello:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or make

summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Improvisa de Verdad: El método completo para todos los instrumentos. (Spanish Edition) can make you feel more interested to read.
