The Road to TeenVision: How to Find Your Passion and Realize Your Dreams

Gidget Clayton, Kristi Stoll

The Road to TeenVision: How to Find Your Passion and Realize Your Dreams Gidget Clayton, Kristi Stoll

In a world where success is often measured superficially—beauty, money, status—it's harder for today's teens to pursue their dreams from the perspective of attaining something deeper, like happiness. The Road to Teen Vision: How to Find Your Passion and Realize Your Dreams is ready to change this perspective. As a teen and tween guidebook for transforming dreams into reality, The Road to Teen Vision teaches the reader how to identify their strengths, find their true passion, and use step-by-step methods for making their dreams come true.

The book also features profiles of fourteen inspirational kids, ages 10 to 19, who discovered their dreams and then made them happen. Stories include:

Keisha McDaniel, a 15-year-old clothing designer and founder of Pretty Tomboy Clothing whose many accomplishments are currently making headlines. Rachael Scdoris, a 17-year-old, legally blind dog-sled racer who will compete in the Iditarod in March 2005. Leon Little, an 11-year-old nonviolence activist and founder of YKAV. B.J. Pinchbeck, a 14-year-old Web designer who founded his own homework help site for kids on the Internet. Laura Lockwood, a 19-year-old who co-founded the largest teen volunteer group in the nation, Manateens. Amanda Dunbar, a 19-year old painter started at the age of 13, now commands thousands for her prolific paintings.

Fidel Auxier:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Road to TeenVision: How to Find Your Passion and Realize

Your Dreams can make you sense more interested to read.
